DAV VAN Correction to December's Minutes

The DAV does have a van for this region of Kentucky. It leaves each weekday from Murray en route to the Nashville VA Hospital. There are three different pick-up points in Murray and departure times vary.

Seats are first-come first-serve. Just as soon as your appointment is scheduled, call Dave Duty (below) to reserve your seat. Dave will coordinate your pick-up location and time of departure. Spouses may only accompany the veteran if needed as a care-giver.

The POC is Dave Duty, 753.2544 at the American Legion.
